

# Bible Study on Daniel

## Chapter 3

1. Read chapter 3 and write down any questions and thoughts that come to you.
2. After Daniel revealed to King Nebuchadnezzar not only what his dream meant but what that dream was, why do you think that he would make a statute of gold to be worshiped?
3. Do you think that it's significant that he made the statue out of gold?
4. What does the king mandate others do at the sound of music being played and what happens if they don't do it? Does such a mandate show this god to be powerful?
5. Why do you think the men come forward and accuse Shadrach, Meshach, and Abednego?
6. Why does King Nebuchadnezzar react so strongly to this news?
